Ministry of Defence

Subject: Reduction in the Residual Service requirement of Civilian MES officers for tenanting Chief Engineer (CE) / Chief Construction Engineer (CCE) and Garrison Engineer (GE) appointments.

This is with reference to E-in-C's Branch note no. B/20000/Policy/ E 1B dated 28 May 2019 regarding Proposed Revised Posting Policy in Respect of MES Civilian Officers, and subsequent note no. B/20000/Policy/ E 1B dated 18 June 2019 on Relaxation in Cadre Management Policy for Executive Appointment of Chief Engineers.

2. The proposed revisions on various aspects of the posting policy submitted by E-in-C's Branch vide note dated 28 May 2019 are being examined in the Ministry. In the meantime, it has been decided, with the approval of Hon'ble RM, to implement the following with immediate effect:

- (1) Reduction of residual service of civilian MES officers in the rank of Chief Engineer (SAG Pay level) for posting as CE/CCE from 2 years to 12 months (as on the date of vacancy) subject to the condition that this relaxation will be resorted to only if sufficient number of eligible officers are not there to tenant the appointment of CE/CCE, and in no case, it shall be reduced to less than 12 months. It will also be subject to review after 2 years based on the age profile of the officers promoted/being promoted to CE level.
- (2) Reduction of residual service of promotee departmental officers from 5 years to 3 years (as on the date of vacancy of the post of GE) for appointment as GE in the rank of EE on their promotion from AE, subject to availability of vacancy and fulfillment of all other existing eligibility criteria.
